Guidelines on national law on authors' and performers' rights in relation to the sui generis right in databases (DSG)

10 - Is there any specific EU legal framework in the area of DSG?

10.1 **Relevant EU law** – see Annex to the Guidelines on the DSG. A comprehensive general list can be found in the Annex to the Guidelines on the DSG, in relation to other EU law provisions.

10.2 **Relevant EU law** – see Annex to the Guidelines on the DSG. A comprehensive general list can be found in the Annex to the Guidelines on the DSG, in relation to other EU law provisions.

10.3 **Relevant EU law** – see Annex to the Guidelines on the DSG. A comprehensive general list can be found in the Annex to the Guidelines on the DSG, in relation to other EU law provisions.

10.4 **Relevant EU law** – see Annex to the Guidelines on the DSG. A comprehensive general list can be found in the Annex to the Guidelines on the DSG, in relation to other EU law provisions.

10.5 **Relevant EU law** – see Annex to the Guidelines on the DSG. A comprehensive general list can be found in the Annex to the Guidelines on the DSG, in relation to other EU law provisions.

* Please note that under the sui generis right, the DSG does not confer any right in the data itself, but only in the structure, arrangement or content of the database. This right is therefore distinct from the copyright in the database as a literary work. The right in the database is also distinct from the right in the data itself, which is a sui generis right in the data itself. The right in the database is also distinct from the right in the data itself, which is a sui generis right in the data itself.
